

Moorpark High School 2nd Annual Jazz Festival

Dear Jazz Band Directors,

I hope your summer was long enough. As you get to organizing your winter and spring calendar, I hope you keep the date of our Spring Jazz Festival in mind. Moorpark High School will be hosting a Jazz Festival on Saturday, May 1st 2010 in our Performing Arts Center at Moorpark High School.

Last year's festival was a huge success with a panel of 10 judges and clinicians with 25 performing ensembles. We featured ensembles from Middle School's, High School's, College and a Professional Ensemble for the students and Director's enjoyment. The judges used digital recorders for superior quality and the ensembles were given CD's. The Moorpark High School Band Boosters had great food going all day and this year we plan to add pictures and recordings available for order.

This Festival will feature exhibition performances by the California State University, Northridge "A" Band under the direction of Matt Harris as well as the "B" Band under the direction of Gary Pratt. We are currently assembling a panel of educators and professional musicians to provide comments and clinics throughout the day.

I look forward to hearing from you all. Please get all applications and checks in by April 13th, 2010 to:

530 Los Angeles Ave. #115/130
Moorpark, CA 93021
Attn: **Daniel Cook**

Please forward all question to Daniel Cook at dcook@mrpk.org or call 805-378-3605 ext. 3068.

Thank you,
Daniel Cook
Asst. Director of Bands.
