Real Time Audio CD Order Form

(Please use one form per entry / group)

**Real Time (RT)
 Audio CD:**

Definition: Mixed During Performance and duplicated for pickup same day. CD contains entire performance of one entry from list below.

Cost = \$10.00 ea.
 Includes CD, label & sleeve only.

Terms: Typically real time CD's will be available for pickup within about 1 hour after completion of the group's performance, if it was ordered before or during performance. Late orders will be processed as time permits. If order is placed and filled but not picked up, every effort will be made to get the CD to the buyer, through the coordinators of the Festival to the Director of the group of which the CD was made. In the event of technical difficulties which might make the particular group's Real Time Recording not usable, then a non real time version of the recording will be offered to the buyer at no additional cost. This resulting CD would be mailed to the buyer within a few weeks.
