

MARCHING BAND ACCESSORIES FOR WINDS AND PERCUSSIONISTS

Here are items that all Woodwind, Brass, and Percussion playing members of the marching band need to have. Please try to purchase these items BEFORE band camp begins on August 9th.

FLIP FOLDERS AND EXTRA WINDOWS:

All Woodwind/Brass (winds), and battery percussionists (Pit members are excluded) must have a flip folder and lyre this year. To the left is an example of a flip folder. It attaches to your lyre (see below). You will need one flip folder, which usually comes with 5 music “windows.” You will need to purchase 10-15 extra windows for your marching and pep music. Flip folders must be black, green or yellow. The brand or design is not important.

Approximate cost of flip folder: \$4.00. Extra windows are about 50 cents each. (Flutes have special needs....see below...)
