

## REQUIREMENTS FOR SCOTT HOWELL MEMORIAL SCHOLARSHIP

The Scott Howell Memorial Scholarship award is an honorarium that is given out to graduating seniors at the annual Band & Color Guard banquet.

*A quick history of the award.* Scott Howell was a high-spirited, good-humored guy who passed away during his junior year in high school. He was the epitome of the band “nerd”. He cared about two things; band and food. He would not have majored in music; he would have gone to culinary school and would have become a famous chef.

In honor of Scott Howell, the scholarship(s) made available to students who are interested in going to a university, two-year college or a trade (magnet) school. It is not only for music majors, but music/color guard should play a part in the prospective recipient’s future. It is required that the applicant write an essay in which he/she describes their future plans, keeps with the Scott Howell spirit, and explains how he/she intends to use the award. Basically, the applicant has the opportunity to be creative and persuasive. It is required that the applicant is in good standing with the Moorpark High School Instrumental Music Department.

**DUE: Friday, May 28<sup>th</sup> before 2:45pm – no exceptions !!**

There will be an envelope provided in the main hallway outside of Mr. Cook’s office.
