

Uniform Fitting & Attire Day For ALL Musicians & Color Guards This Saturday, August 13th 9 am – 1:30 pm

Hello to all of our Moorpark High School Instrumental Music Program families!

Summer break is drawing to a close and school is around the corner. All of the Music Program's performing groups will soon be back in rehearsal sessions for the upcoming year's performances, competitions, and festivals.

As part of the start of the new school year, uniforms for marching band are being cleaned and altered, tuxedos and gowns for the wind and string groups need to be arranged, and dress for our jazz performers need to be settled. In addition, the Band Boosters are making our push to get our funding secured for 2011-2012 through your donations to your student's individual performing group.

- **Marching Band & Color Guard** Uniform Fitting will be held from 9:00am to 1:30pm, Saturday, August 13th in the Choir & Band classrooms at the high school. For all returning members please bring your black marching shoes & under armor for the fitting.
Seniors: 9:00-10:00 am
Juniors: 10:00-11:00 am
Sophomores: 11:00 am - Noon
Freshman: Noon-1:30.
- **Concert Band, Strings & Jazz Students** (in other performance groups and not in the Marching Band) may come to the Choir classroom at the above times or anytime throughout these hours to pick up the information packet regarding dress for their groups, and to submit their donation payments.

Your donation covers the costs associated with participation expenses for each program, and includes the 2011 version of the MHS Instrumental Music Program's Spirit Shirt worn when traveling and not performing in a formal setting.

Payments to the MHS Band Boosters may be made by Visa or Master Card, check, or cash, and are a tax deductible donation to our IRS recognized 501(C)3 non-profit organization. Checks should be made payable to **MHS Band Boosters**. The donation per performance group is as follows:
